

CHIMNEYS GUEST HOUSE COVID-19 SAFETY MEASURES

September 2021

We are committed to ensuring that Chimneys Guest House continues to be a 'safe place to work, stay and visit'. The following key arrangements are in place to reduce the risks from Covid-19 to our guests and staff:

- A Covid-19 risk assessment has been completed and implemented.
- Guests must complete a pre-arrival Covid-19 questionnaire.
- Social distancing (1m+) is in place, as per current Government guidelines
- Wearing a face mask is optional as per current Government guidelines
- Alcohol based hand sanitising gel stations available at entrance porch to the building, dining room and on the first-floor corridor.
- Enhanced cleaning of hand-contact points in all communal areas.
- All linen will be thermally disinfected.
- Displayed 'wash your hands' advice poster from HM Government in our public spaces, along with other covid-19 safety signage to increase awareness and encourage good hygiene practice.
- Deployment of hand wash soap in every guest room.

We hope our hospitality arrangements in these uncertain times will help travellers feel reassured.

COVID-19 & DATA PROTECTION

As part of the NHS Test and Trace service for tracing close recent contacts of anyone testing positive for coronavirus, your name and contact number will be given to NHS Test and Trace on request, in the event that it is required for contact tracing purposes. The aim of this measure is to control the spread of COVID-19.

You have a right to access and correct any information we hold about you. For any questions about this notice or personal data, please contact info@chimneys-guesthouse.com
